PARKWAY BAPTIST CHURCH CALLS SCOTT LUCKY AS SENIOR PASTOR

CLINTON, MS -- On Sunday, August 28, 2022, Scott Lucky was called as the Senior Pastor at Parkway Baptist Church in Clinton, MS. After reviewing over 60 resumes from around the Southeastern United States, the Pastor Search Committee unanimously recommended Scott as the next pastor in a letter to the Elders. Following elder approval, the congregation voted to confirm the recommendation with a 98% approval rate. This overwhelming confirmation follows a lengthy period in which the church was able to observe Scott's leadership and build a relationship with him, his wife Ashley, and their three children.

Scott comes as the Senior Pastor after serving as interim for the four months following the retirement of Pastor Ken Anderson. His presence precedes the interim period, having served on the pastoral staff of Parkway for nearly a decade. Mitchell Blount, a Parkway Elder and chair of the Pastor Search Committee stated, "He and his family have already endeared themselves to our congregation as was evidenced by the 98% vote of approval."

Scott spoke of the future at Parkway stating, "My desire is to see us devote ourselves to the Lord, His Word, and His mission of making disciples among the nations." Originally coming to Parkway as the College and Young Adult Pastor, Scott transitioned to the role of Associate Pastor in January of 2021. He graduated from Reformed Theological Seminary of Jackson MS in 2014 and is a Ph.D. candidate at Southeastern Baptist Theological Seminary.

Sunday's vote confirmed Scott as the sixth pastor of Parkway Baptist Church in its 95-year history. Scott reflected on this legacy stating, "I'm so encouraged by Gods faithfulness to this

congregation over the last 95 years, I'm humbled and excited about moving into this new roll." Mitchell Blount echoed this sentiment, "We are absolutely convinced that God led Scott to Parkway, and that God will continue to use Scott to lead our church as we continue to seek to glorify Him and reach our community for Christ."

Scott will immediately take on the responsibilities of Senior Pastor, bringing an end to the interim period. Parkway plans to officially install Scott as their Senior Pastor through an installation service and reception in mid-October.
